

Planning Learning Approaches for Nowadays Students

PLANS

Development of new ways of learning in the context of digital education

Between December and February, the project work consisted of preparations for the 1st Mobility in Spain (16th – 23rd February).

The students got to know each other through eTwinning (left) and regular contact through WhatsApp.

There was a lot going on in the partner school in Spain: the first steps towards the radio programmes “Meeting my partners in Europe” and “Strong women in Europe” were taken and the planned project activities were organised. This consisted of the actual project work, work on cultural heritage with a visit to the *Alhambra*, sports and craft activities, work on the project hymn and meetings with the host families.

At the same time the first song texts for the hymn were collected in Germany. The Kerpener students prepared themselves for the radio programme in Spain and took part in a workshop in Bergheim in cooperation with the media workshop of the Catholic Education Centre. After a short introduction, the Erasmus+ pupils learned some speech techniques to articulate better and to conquer their nervousness before an oral presentation.

On 1st December, the grandparents were invited to the partner school in Bistrita to discuss their experiences in **Cultural Heritage** with the Erasmus+ students. In this way, the first steps in the project activity “**YES! CLIL meets cultural heritage**” were taken.

Erasmus+ Project 2019 - 2021 Newsletter December '19 - January , '20

In accordance with the digital era –
Digitalisation as a chance for
modernization of teaching methods.

The Spanish teachers took part in a workshop to learn to use Google Suite in Jamilena

Safer Internet Day is the global initiative the partner school in Bistrita has started.

Moreover, a “Christmas Fair” was organized in Romania under the sponsorship of Erasmus+. Traditional handmade products (sweets and decorations) were sold in school. The money was used for charitable purposes. It was a good opportunity to teach our students what volunteer work means and why charity is important. In Kerpen the students also showed their solidarity and organised the action “Christmas Box” for the *Tafel* (free groceries for the needy).

Our partner school in Abrantes sent the first work on CLIL and is preparing carefully for the mobility in Spain.

don't miss – don't miss – don't miss

“Learn from PLANS students”

Erasmus+ students are offering a workshop on 2nd April in room 242 at 14:30

Topics: Kahoot, LearningApp...
